POSTAL REGULATORY  
COMMISSION  
OFFICE OF THE SECRETARY

August 18, 2009

Hon. Judith M. Grady, Acting Secretary  
Postal Regulatory Commission  
901 New York Avenue NW, Suite 200  
Washington, D.C. 20268-0001

Dear Ms. Grady:

In connection with the Commission's rules pertaining to periodic reports, I have enclosed copies of the report of Revenue, Pieces and Weight (RPW) by rate category and special service for Quarter 3 of Fiscal Year (FY) 2009. This report consists of two parts:

1. Mailing Services (Market Dominant Products), Revenue, Pieces and Weight by Classes of Mail and Special Services for Quarter 3, Fiscal Year 2009 (April 1, 2009 – June 30, 2009) Compared with the Corresponding Period of Fiscal Year 2008, **Public Report**; and
2. Shipping Services (Competitive Products), Revenue, Pieces and Weight by Classes of Mail and Special Services for Quarter 3, Fiscal Year 2009 (April 1, 2009 – June 30, 2009) Compared with the Corresponding Period of Fiscal Year 2008, **Public Report**.

I have enclosed a disk with a machine-readable version, consisting of one Excel file containing both parts of this public report. This entire electronic file may be posted on the internet.

This report represents an interim measure that partially complies with the Commission's rule requiring submission of a quarterly RPW report (39 C.F.R. § 3050.25(b)). The Postal Service is in the process of reformatting this report to

accommodate public disclosure of more information in the Competitive Product categories (Part 2, above) than provided in previous public quarterly reports, and to present data for Market Dominant Products in a slightly modified format. Previously, when we submitted the quarterly RPW reports for Quarters 1 and 2 of FY 2009, we provided the Commission both public versions of the reports, as well as non-public versions that contained more detailed confidential data on the Competitive Products.<sup>1</sup> In the interest of timely disclosure of RPW data, we are at this time providing the public version of the report in the old format.

Once the process of reformatting the report has been completed in the near future, we will provide copies of the reformatted RPW report for Quarter 3 in both a public version and a non-public version, as required by the Commission's new rules governing confidentiality and treatment of non-public materials (39 C.F.R. Part 3007). We will also, pursuant to 39 C.F.R. § 3007.21, provide an application for non-public treatment of the information for which the Postal Service continues to claim confidentiality.

If you have any questions regarding this report or the discussion above, please call.

Sincerely,

A handwritten signature in black ink, reading "Daniel J. Foucheaux, Jr." in a cursive script.
